### Notes on Usage

The object of this declaration is designed for use in all countries of the European Union and in Switzerland, Norway, Liechtenstein and Iceland.

### SUPPLEMENTARY INFORMATION:

The object of this declaration has been tested and found to comply with the electromagnetic compatibility (EMC) limits for a Class B digital device pursuant to the listed directives, regulations and standards. These limits are designed to provide reasonable protection against harmful interference when the equipment is operated in a residential or business environment. The equipment was tested in a typical configuration.
